

Reporting No: 2

Week No: 2

From: 19/12/22 To: 23/12/22

Project ID: PRJ2022DCE022

Project Title: Training

WEEKLY REPORT

Work done in last week (Attach supporting Documents):

1. Learned HTML and CSS.
2. Learned about JavaScript variables, operators, data-types and conditional statements.
3. Learned about OOPS concepts and attended the session of it.
4. Learned real-life applications and examples of OOPS concepts.
5. Task:- To created clone of WebIMS using core HTML and CSS.

Reason for incomplete work:

1. Requirement indicators is missing in given task.
2. Alignment of delete button in contact detail is incorrect in given task.

Plans for next week:

1. To work on given review points related to task.
2. To add collapsible functionality to sidebar.
3. To add and remove patient contact detail section.
4. Learn about JavaScript loops, sets, maps, classes and objects.
